

Receiver of Taxes—Hyde Park

ELECT Francine diGrandi Receiver of Taxes

As Receiver of Taxes I have:

- Expanded summer office hours and available beyond those hours by appointment.
- Increased office security to protect the tax payers' confidential financial information.
- Streamlined processing to cut waiting time at the window during peak times.
- Coordinated municipal software upgrade to interface all departments in town hall.
- Initiated process to establish credit card payment and bill viewing online.
- Installed "drop off" box for payment of taxes after hours.

Receiver of Taxes—Hyde Park

ELECT Francine diGrandi Receiver of Taxes

Meet Francine diGrandi...

"I've been a land owner in Hyde Park for 35 years and I understand the burden placed on taxpayers."

"I've expanded this position into more than just the Receiver of Taxes because Hyde Park is not just the town I live in; it's my home and I take pride in it!"

"It is vital to future technology of the town hall that I finish the work I've begun."

- Foster parent providing respite care for other foster parents.
- Computer network specialist.
- Volunteers at computer camp for children on assistance.
- Volunteers technical support for AARP during tax season.
- Assistant Civil Engineer for Dutchess County's Public Works Dept. until 2006.
- Lead engineer in the "Crossroads Project of Hyde Park" at the intersection of Rte. 9 and West Market Street, coordinating construction between the state, county and town of Hyde Park.

Francine diGrandi's relationship with the computer support staff at Dutchess County is instrumental in the improvement of tax services and billing procedures for a more efficient and economical process benefiting Hyde Park taxpayers.
