"Over the past 35 years, in private law practice and in public service, my friend John Kennedy has proven himself to be a person of high moral character and unquestioned integrity. He deserves your vote on November 8<sup>th</sup> for Town Justice in Hyde Park."

*Sheriff Adrian "Butch" Anderson*

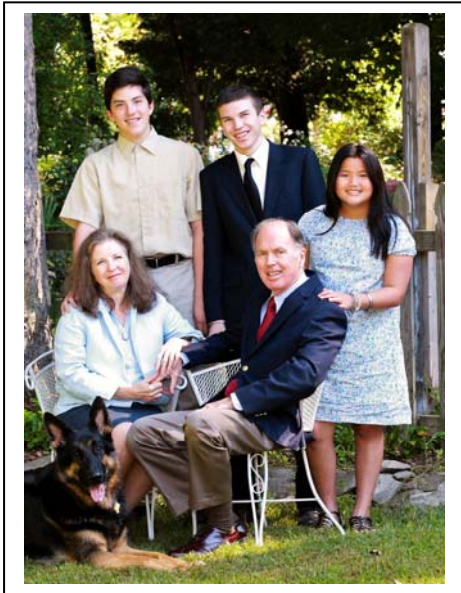

"Dutchess County has been fortunate to have John Kennedy as chairman of its Legislature. . . . He has put the county's best interest above political considerations. He will be hard to replace. . . . He has taken the time to choose the best path, not always the most popular one."

*Re-Elect* Judge **John Kennedy** Town Justice

Dear Hyde Park Neighbor,

When I first ran for Town Justice in 2003, I pledged to the people of Hyde Park that all who came before me in court would be treated fairly, and with respect. Thanks to your support, I was elected that year and again in 2007. Over the past 8 years, to the best of my ability, I have kept that promise. I am seeking re-election this year, and am again asking you for your support.

When you go to vote on November 8<sup>th</sup>, you will find my name on the ballot as the endorsed candidate of three of the major parties: Republican, Independence, and Conservative.

As you may know, both of the town justice positions are up for election this year, and you will be able to vote for any *two* of the candidates. I would, of course, greatly appreciate *one* of your votes.

On the other side of this letter you will find a summary of my biographical information. In making your decision, please consider my experience, qualifications and performance in office over the past 8 years. If you have any questions, you may reach me at 702-3819.

Sincerely,

John Kennedy
